Past involvements include the following.

1995 to 2000: Elected by members of profession to the Council of the Institute of Actuaries.

Past member of the actuarial Faculty and Institute Management Committee.

For many years, vice chairman and Institute representative of the General Insurance Board (which deals with non-life aspects of the actuarial profession), and was the member responsible for Lloyd's issues during the eventful inception and initial years of Equitas, and the successful introduction and implementation of Lloyd's actuarial opinions.

Chairman of Research Committee

Vice chairman of the Social Policy Board

Member of Wider Fields Board

Member of General Insurance Research Organization committee.

Member of Working Party tasked with restructuring the UK actuarial profession.

Presentations and papers written:

Extensive actuarial experience in the specialised area of General Insurance and Risk Management, in respect of the theory as well as the practical aspects.

Written and presented a large number of papers around the world on a broad range of insurance-related actuarial topics, including pricing, reserving, actuarial reporting, climate change issues, marine insurance, aviation underwriting, assessment of reinsurance security, expenses, latent claims (asbestos and pollution), capital requirements, risk exposure, public and employers liability, financial condition reporting, reserving for unknown, run off insurers, emerging liabilities, Solvency II and many other topics.

Travelled extensively throughout Europe, the United States, Canada, Australia and South Africa both for discussions with cedants, insurers and reinsurers, and to address seminars and conferences of actuaries and others in the insurance world.

Other:

Works closely with other insurance professionals including accountants, lawyers and barristers.

Peer reviews actuarial work in both UK and overseas jurisdictions.

Provides litigation support and adjudication, resolution and arbitration for many insurance (and especially reinsurance) disputes in actuarial, underwriting and claims areas, where he is seen as an expert in the market.

Actively sought as an experienced expert witness.

Performs a variety of roles in a large number of both solvent and insolvent schemes of arrangement. Such roles not only include areas of actuarial work, but also independent scheme adjudicator, independent expert, independent vote assessor and chairman of scheme creditor meetings.

For several years, a director of a captive insurer in Guernsey

Formerly a director of Terra Nova Pension Trustees.

A Liveryman of the Worshipful Company of Actuaries.

For over seven years, Treasurer of the Actuaries Club.
